## About Sandy Harvey

Sandy Harvey is the founder and President of Exodus Consulting Group, where she utilizes her 25+ years' experience as a Human Resources, Operations, and Diversity, Equity, and Inclusion strategist. She has worked in many industries, including financial services, defense, retail, energy, nonprofit, and more. Sandy supports individuals and organizations by aligning business processes, platforms, and people to achieve goals by identifying diverse and innovative measures. As a student of life and embracer of differences, Sandy seeks opportunities to demonstrate that individuals and organizations are better collaborators by highlighting our differences. She is committed to creating engaged and profitable companies that enhance the lives of individuals through professional development and innovation. She provides coaching for professionals, leaders, executives, and pastors desiring to achieve greater self-awareness, and realize personal and professional goal attainment. As a Certified Diversity Professional, she passionately helps organizations improve efficiency by embracing diversity and inclusion strategies.

Sandy has a Bachelors' degree in Business and Master of Business Administration in Organizational Management from Texas Wesleyan University. In addition, she holds a Master of Arts degree in Evangelism & Church Planting. Sandy is certified to facilitate recognized diversity, leadership, and professional development programs and is passionate about positively impacting others and supporting organizational transformation. She is skilled in administering many behavioral, skill, and competency assessments. Sandy is a sought-after impact storyteller and Diversity Disciple seeking to inspire others to turn challenges into steppingstones.

## Sandy's 100-word bio (approximately)

Sandy Harvey is a skilled strategist with over 25 years of human resources, organizational development, leadership, and diversity and inclusion experience. Sandy is the President & Founder of Exodus Consulting Group, a transformational people and process firm. She is a Certified Diversity Professional and expert facilitator working with organizations across the country in developing and implementing a human resources and diversity, equity, and inclusions strategy. Sandy has several years' experience of writing policies and procedures, policy manuals, and developing training departments.

As a pastoral, and executive coach, Sandy has facilitated leadership and diversity and inclusion (D&I) strategic initiatives for multinational companies. A success visionary and passionate D&I disciple, Sandy incorporates metrics and analytics with technology and people – and this solution works!
